From the Pres...

May was the month to pay your dues for MVT membership. Mail to the P.O. Box or pay at the next membership meeting, if you have not yet done so.

The trip to Scottish weekend was a nice trip. We, of course, left on schedule. Nice weather made for a good day. Thanks to all who participated.

June has a number of good events. At this writing the call has not been made for Carolyn's and my June outing, but we will have information at the June meeting. I hope all are getting out with your Triumphs and enjoying the nice weather.

I have had calls from old members who want to sell their Triumphs. Jerry Craft, of Middletown, wants to sell his TR3, but I have been unable to make contact with him. Dale Unro is very interested in selling his MK2 Spitfire, I hope to have more info by the next meeting.

Hello TR Buddies...

by Diane Cibach, Vice-Pres.

Well, Here it is; my first newsletter article! I just had to write about our last meeting, May 5th, Cinco De Mayo. Our very own "TR Spitter" turned 1 year old. We sang HB to Bridgett and had a B-Day cake. Being born on Mother's Day - What an extra special treat. Hope you had a great B' day, Bridgett!!

Saturday, May 8th, a few of us met at Tim Horton's on (Rte.) 63 and headed for Gen. Butler State Park for Scottish Weekend. What a beautiful day we had; unlike years past, when we were drenched in rain. We headed out with Mary and Ray Bolich (TR-4) in the lead, and Frank and I (TR Ford truck) bringing up the rear. Sandwiched in between were Carolyn and Phil Daye (Spitfire), Ellis Ball (Lorna-less; TR-7), Lorna was at a baby shower, Mara and Mike McKitrick (TR-6) and Mary and Dan Stinson (TR Mazda Truck).

We tried to have fun on the walkie-talkie, but the batteries were dead. After a great time at the park, we headed to Aurora, Ind., for dinner at the "Tree House" (Ellis-less). I had the really tasty Indiana Chicken (Rite Man). It was a fun day (and long) and we wish more could have gone with us. See you at the June Meeting!!

About The Club...

by Stan Seto

The June (26th) event is a run to Thornberry Farms. See assembly instructions elsewhere in the issue. The Daye's are handling this one.

We've got windshield decals, static cling type. Club has to decide how to distribute them, but we have 500 of them at a relatively low cost, including camera ready art.

Murry Mercier and Ron Fowler (MVT & BTC) were at the May meeting to pump up the club for the Len Immke Classic Car Show in Dublin, Ohio, 9 - 10 July. They are hosting a "show-within-a-show" for the Triumphs. This show supports the Arthritis Foundation, a worthy cause.

Membership renewals will be accepted, 1 June through 31 July. Mail in the form elsewhere in the **Marque**. Truth is we will accept memberships any time, but if everyone does it at the same time, it is easier on the Membership Chairman.

Nine Cars, at least, are needed at the Frazier Pavillion, on Lincoln Blvd., Kettering, on the 23rd of June (a Wednesday), before 8:00 PM, to support the performance of the British Brass Band. Be there for a cracking GOOD Time!!!

Show appearances - Ian Cunningham took third place in the Foreign Car Division at the Eleventh Annual Western Brown (Cty.) High School- Lion's Club Car Show in April.

More to the east, the Loveland School District combined their May Spring Lawn concerts (9 student bands, 6-9:30 pm) with a (first time) Cruise-in. Over fifteen hundred students, parents and grandparents attended. Popular car voting was by dollar bills in cans in front of each car, money going to a student scholarship fund. The winner was a '72 Purple Plymouth Road Runner (rumor is the owner's mom was stuffing the ballot box). My little red TR-3B finished out of the money!!

It's June, Good Driving Weather!! Let's get the Cars out!!!!

By Mike McKittrick

A beautiful day greeted Ray and Mary Bolich, Phil and Carolyn Daye, Frank and Diane Ciboch, Dan and Mary Stinson and Mike and Mara McKittrick as they departed Tim Horton's on Route 63 (had to have coffee!) at precisely 0840 in Mason to pick up I-75 south to Cincinnati.

We drove through Cincy in near record time with little traffic and without incident. The caravan picked up Route 42 on the other side of the Ohio River to head west. Of course nothing was open except for a convenience store for a leak-proof test. Diane was first and last in line to ensure no further delays. The rest of the outbound trip was uneventful as we pulled into the General Butler State Park to a packed display of cars British. Many more cars made the trip this year as was evident when we threaded our cars into the busy show area.

It wasn't long til we heard bagpipes and more bagpipes and even more bagpipes as bands formed up and marched heir way around the grounds and we all dashed off for some Scottish food... but all the Shepherds pie was gone! Oh well, there was that great music! There were the pipers, of course, singers, and Highland games. There were booths selling all sorts of Scottish and Celtic products.

Of particular interest in the car show lot was a spectacular new 2000 Jaguar S Type, European specification model. The car was brought over by Ford to test the transmission which is produced in Sharonville. This particular Jaguar is driven five days a week from 7 pm to 3 am in normal driving situations. Upon completion of the testing, the car will be crushed... what a shame... we were all in lust for it!

The British Car Show was hosted by the Greater Cincinnati British Car Club. They did a smashing job. The show was a judged event with quite a few trophies to pass out. The judging ended with presentations of the trophies at about 3 pm. MVT struck out; but there's always next year.

On the return trip we headed east until we bridged the Ohio at a dam. We then picked up Indiana Route 156/56 to Aurora. No traffic to speak of, nice weather (did I mention NO RAIN ALL DAY?) a great curvy road, and dinner at the Tree House on Route 50 in West Aurora. Thanks to the person(s) who recommended this establishment. To say it was good is a gross understatement. Mary Fox-Bolich thought the food was the best even if the chicken wasn't from Indiana. My salad even held up to a brief swim.

Back through Cincy and home... a great outing that shouldn't be missed. This was our second Scottish Weekend. Nothing like the sound of multiple Triumphs motoring down the road with the wind carrying the sweet sound of throaty exhausts across the glen... uh, sorry got carried away there. Those bagpipes are still haunting me. (I know, I repeated this last sentence from last year; but it's TRUE.)
