"All the news that's fit to soak up oil"

Russ Seto

It is with sad heart that the editor has to type this. Russ Seto, Stan's brother, member of Texas Triumph Register as well as MVT, passed away yesterday (April 27th) while on the first leg of a Triumph club drive to California. We've known Russ almost as long as we've known Stan and Russ really, really was an ardent Triumph enthusiast as well as a great guy. This is a deep loss for our community, our hobby. Please keep the Seto family in your thoughts and prayers.

Officer's Reports

President's Report

I will be missing the May Meeting at Archer's due to vacation, but I expect all of you to be there, including our stalwart Vice President, Dan Stinson, who will be your leader for that occasion.

John Coutant was our Point of contact for the Spring Classic Driving Tour (4th Edition) on 14 April, which turned out to be a really nice day weather-wise, and I hope he had a good turn-out after all the poor weekend weather we've been having lately.

June is the TRA National Meet in Blowing Rock, NC. There should be a good sized contingent from the club going to that event.

Registrations for BCD Dayton continue to flow-in electronically and now by snail mail, we have about 35 total for the '18 Meet.

The reassembly of my car is going slowly, as I evaluate each of the parts going back onto the engine and take the time to clean, repair or replace bits and pieces. An example was the viton grommets that seal the fuel passage of the float bowl supports. One of these disintegrated at a touch when I was repositioning the carburetors on the manifold mount. So a call to Moss ensued and three days to receive the replacement parts, clean

the carb assemblies, then replace the grommets and finally back on the engine. Everything on the right side of the engine is on and secured. I'm working on the fuel lines and electrical hook-ups on the left side.

Looks like the weather is finally bowing to the calendar and will be Spring-like for the whole week for a change. Last week I mowed the grass in the front of the house and put down some grass seed. We then got colder temperatures, several frosty nights and a day of snow squalls and grapple (frozen rain and snow flakes), which Sparky just loved. Whenever I took him out I had to wash his feet before he could go into the house. I'm happy for the warmer temperatures now.

Finally, I hope all of you who have Triumphs that can be on the road are cleaning them up from last year's travels and prepping them for the 2018 driving season..

Best regards, Stan Seto

Still looking for a few folks to pick up and lead a few tours – maybe May, late June, late August?

Also firmed up the plans for the Mothman Tour in September – it will be unique if nothing else!

Membership Chair Report

With the recent addition of new members Brian and Janet Sullivan, our MVT roster now stands at 45. May is annual membership renewal month for all members, and in spite of the fact that our treasurer, Harry Mague, did not authorize an early renewal discount, twelve of our members paid their \$20 renewal fee at the April meeting. Thank you!

The \$20 membership renewal can be made in person during our May meeting or by mail (check written to MVT) sent to Miami Valley Triumphs, PO Box 144, Bellbrook, OH 45305. Please also take a few minutes to review your membership data posted at the MVT website. If you have additions and/or corrections, please let me know.

Thank you!

Webmaster Report

(Repeating last month's article)

Thanks to Stan, Chris, and Valerie some old paper copies of the Marque were found and have been scanned into PDF documents and now can be found in the Marque Archives on the web at:

www.miamivalleytriumphs.org/marque-archives

Scroll down to the Paper Era to see what we have.

So what is new? Old news is new. How about the Baby Clough announcement in the June 1998 Marque? Or old tech articles? While old news to some of our long term members, some interesting reading for newer (since the turn of the century) members.

For those who were around in the early days, if you have any Marques we are missing (and there are a lot), please let us borrow them for archiving.

18 – 21 Triumph Register of America National Meeting: Reservations are now available at Chetola Resort for Triumph Register of America's National Meeting 2018 (TRA 2018), hosted by the Triumph Club of the Carolinas (TCOC). The dates are June 18 through 21, 2018, with Concours on Wed. the 20th, Banquet on the 21st, and check out on Friday. We went with mid-week since June is a big wedding month. Individuals can check in 2 days early or stay 2 days longer at TRA price which is \$139/night for one bedroom lodge room – quite a deal for this upscale resort.

BIG note on reservations. The Lodge itself at Chetola only has 41 rooms. The majority of their accommodations are condos. They have one, two, three, and four bedroom units. They have agreed to give us the same price per room on the condos as rooms in the lodge. So a one bedroom will be \$139/night, a two bedroom will be \$278/night, etc. Please take a note of that and visit their website (below) to see where the condos are in relationship to the Lodge – all are within walking distance. We can foresee 3 couples from a club getting a 3 bedroom and then it can become “party central” for the rest of the members of their club – hint, hint, nudge, nudge. Condos also have kitchens, multiple rooms with

living space and most have a pull-out couch for more sleeping space, in other words, a deal!

When registering please mention that you are registering in the “Triumph Register Block”, registration phone number is: 828-295-5500. The resort website is:

<http://chetola.com/>

TCOC is planning on having a TRA2018 website up and running soon. If you need to contact anyone in that club prior to that message me and I will give you contact info.

Update on MVT Caravan to TRA 2018:

We will be leaving for TRA 2018 on 16 June which is a Saturday and fairly early in the morning since we will have a few stops along the way. Last time we went this way we stopped in Portsmouth, OH to take in brewery and quilt store. We could also go via Maysville for a stop in Ripley.

Night of the 16th we will be staying at Jenny Wiley State Resort Park in Kentucky. We stayed there on the way to TRA 2012 and it is a decent place. We will complete the drive to Chetola Resort on the 17th.

Returning we will pretty much do the same thing, leaving on the 22nd and getting back the 23rd staying at Jenny Wiley. The neat thing is that since we are talking a Friday and Saturday there will be lots to see along the way!

4 – Dayton British Car Day!!!!

Speaking of BCD, here is a BCD March Meeting Report by Stan:

BCD Meeting, 06 March, 2018, Poelking Lanes

Attendees – Skip Peterson, John Scocozzo, Ron Parks, David Gribler, Stan Seto, Harry Mague, Bruce Clough, Tim Moore and Greg Relue.

Skip opened the meeting at 6:30 PM.

Tim showed us art work for the Tee Shirts, and asked for recommendations for a shirt color. He also quoted the shirt cost for different levels of color away from white (cheapest). Looks like it might be a sand or heather color.

Skip let us know that one sponsor did not pay the \$150.00 they promised. So, probably no new Jaguars in the 2018 show.

Skip also mentioned he had fielded several complaints from the attendees about the cost of the Graeter's ice cream cups. After some debate, the clubs agreed to bring that vendor back in 2018 and leave it opened for the 2019 show.

The park contract has been approved.

Skip will handle awards and will order 300 dash plaques.

Ron Parks will again handle door prizes. Greg Relue, Vendors, and Harry Mague, the stuffing of bags.

The food license for the concession stand will be the responsibility of the MG club and MVT will again handle Registration and Balloting.

Ed Hall was not there, but in a separate message will be asked to separate MG and Spitfire car classes for easier identification during balloting.

The next meeting will be Tuesday 15 May, at 6:30, at Poelking Lanes.

Stan S.

Project Trashy

By: "Crazy Jack" Galloway

Last episode I left off that TRashy had driven for the second time around the block. We had gotten some major luck and great strides forward were taken. This was short lived, and set us back to redoing some fixes that we decided were "ok".

Adventures Of Early TR Man

Back at it again. Back at the transmission. Picked up a TR3 trannie to use as an interim trannie while I fixed the OD trannie (yet again, maybe third time is the charm) - I need to go through it and figure out why it doesn't want to go into second gear. I got the trannie pretty clean and there are a decent amount of new parts in it.

First order is to build a stand for it. Trannies are notorious for being hard to work on due to their

shape. In order to work on it I will have to build several different stands depending on what I'm doing. Luck is shining on me since I have a lot of wood left over from the shed build last fall.

First stand is to hold the tranny in place while I remove the release bearing fork and top shifting assembly. Went to the shed. Got some 2x4's. Went to the tool chest and dug out the cordless saber saw, drill, and driver. 30 minutes later I had a stand. Also managed to drop the tranny on a finger while building it, so hopefully the neighbors did not hear those choice words.

Look maw, a stand!

Meanwhile, since the car is still very drivable I am driving it quite a bit!

Just another decent Spring Day in Ohio...

MVT Special Report: Amelia Island Concours

By Jay Kolb

The Amelia Island Concours is held in March in north Florida each year. I like to go to Florida not only for the show and related events but for some warm weather. It was warmer than here but it was still windy and cold, especially in the morning. And for the second year in a row, with the threat of rain on Sunday the show was moved to Saturday.

Triumphs were hard to find this year with only this 1957 TR3 at the Gooding auction that I got a picture of. But there were many British cars at all venues with the following as a small representation:

1938 AC Acec 16/80

1928 Armstrong Siddeley at the show

1954 Allard K3 roadster at the Bonhams auction

1948 Healey Westland at the RM auction

It was a great show with over 300 cars and motorcycles on the show field. I hope for better weather next year.
