President's Report~ Stan Seto

Hello to April and the start of Spring and a new driving season.

Our meeting date is 6 April at Logan's and hope to see you all there before the 7:30 PM start of the meeting.

My first order of business is to thank Lorna Ball for being President for the last four years, she not only did a great job, she has helped to pave the way for the next lady president we will have in the future. Women in high places bring a distinctly different social aspect to a club and to the meetings, and as men we should not only respect that difference, we should embrace it for the change it can make.

Lorna, you not only did a good job, you showed a lot of class when at the end of two years you signed on for two more to preserve the leadership and to protect some of the other officers in their duties.

I would also like to thank you and Ellis for bringing into the club two new members who are auto enthusiasts although not necessarily Triumph-philis. An interesting decision on your part.

I missed the awards banquet due to a knee operation. Not serious, but it has slowed my activities these past couple of weeks. Therapy is going well and am now half way through the six week healing period. Still on pain medicine and anti-biotic medicine because one of the incisions has not closed up properly, but am reasonably mobile. Hopefully the Banquet went well, no fighting over the chicken or the desserts, and the award winners were all there to receive the trophies. I expect that the award winners and new or re-elected officers are listed elsewhere in this publication, and I'd like to thank the Treasurer and Secretary for their support of the club.

As you know my TR3 is getting an engine teardown and re-build. Worked my way down to the cam this past weekend and removed it. It did have wear, but under the close glare of the sun, not as much wear as I thought I saw while it was installed. Timing chain and sprockets were in great shape, but at some 80,000 miles will get replaced, as will the chain tensioner, which does have strong wear patterns. Still need to look at the cam bearings and see if I can get a measurement as those guys are really hidden in the block. The new cam has to go in and get aligned with the crank shaft and the re-build can then begin in earnest.

First BCD meeting still has to happen, and the shirt task needs to get started. Lorna, thanks again for your service.....

Stan S.

Treasurer's Report:~ Harry Mague

Treasurer's Report: As of 1March 2016, the club account had a balance of \$4040.49. For the month of March the club had income from 50/50: \$12.00 and a new membership income for \$30.00. Total income for March is \$42.00. The club had the following expenses: mailing of the marque for \$.49 and \$1137.10 for the Award Banquet. Total expense for March is \$1137.59. Account balance is as of 1April 2016 is \$2944.90.

Secretary's Report:

MVT Meeting, March 2, 2016

The March meeting of the MVT Club began at Logan's steakhouse in Beavercreek with Hail to the Queen. First order of business was to collect the ballots for new officers and for awards. The secretary placed one vote for the names put in nomination for President, Stan Seto; for Treasurer, Harry Mague; and for Secretary, Patty Clifford. That vote was accepted by the group. Ballots were collected and the Secretary, Karen Sipos and with the assist of Chris White the ballots for the awards were counted.

President reminded all of the Banquet on the coming Saturday.

VP reported that he was glad to be present Secretary report – Lorna asked that the minutes be approved as printed in The Marque. Minutes were approved.

Treasurer report – Harry reported a band balance of \$4040.49.

Membership report - Valerie reported 40 members Events – Bruce reported on the Super Bowl party and very big success as was the Valentine Day dinner at Bravo's. March 19th will be a tech session on the Allison's TR8; April 2 a tech session for John Coutant's car; April 9 is the Cincinnati tour and John will have info for this.

Committee Reports - All committees are doing just fine. Suggestion was make that since there was construction on Harshman St. a request should be made for the park to open the Springfield St. entrance for BCD.

No New Business or Old Business.

Comments: Debbie Ferratt had just returned from California and told the group about their experience with the Triumph Club out there. They got a lot of information at the Car Show they attended. Really large club with two different meetings a month. Sounded like a fun group.

50/50 of \$12 was won by Jeff Barth.
Chuck White called for a big thank you to go to
Lorna Ball for her service a President. Great job
Lorna!

MVT Events Calendar April 2016

Wow – March has flown by – a nice warm month, certainly better than last year! I managed to get some garage time in and work on the TR7.

- I finally got the rebuilt TR7 carbs back on and sorted out – runs fine, certainly better than it did last year.
- Replace the battery – it was weak and 5 years old – time to go.
- Sorted through the TR7 parts – I still had a lot of parts I wasn't going to use – put them on ebay and earned enough \$\$ for dinner at McDonalds!
- Got the new Rimmer Brothers seat covers on the TR7 – Craegar's Auto Interiors of Centerville did them – put in new foam and new diaphragm while they were at it – also connected back up the ignition and seat belt buzzers – bonus!
- The dash is all LED lights now. Much brighter and more reliable.
- I'm also in the midst of converting it to Evan's Coolant – we'll let you know how that goes, so far so good!
- Tracing down the 45-50mph front wheel shimmy. This is endemic to TR7/8's and only goes away after you have everything right – reset the tire pressure, rotated tires, and reset toe-in. Got my finger's crossed!

After I get the TR7 sorted it will be time for new windscreen rubber seal on the Stag...

March 2016 Recap

MVT Award Banquet

As usual, hat's off to Lois for throwing one fine party!

And, as usual gobs of folks showed up to take in the fine meal and the ceremony. As with the last gobs of years we have been holding this at the

Beaver Creek Golf Club, and as usual the food was great and the drinks poured tall.
We like traditions.

The folks gather for the feast!

Valeri, Mary and Dan discuss the commodities market

The awards awaiting new owners

Lorna putting a good food spell on her food...

...and Lois orders a pizza, no pepperoni!

Arnold Maguinator

The Barths win "Keep it on the Road" Award

The Prez brings the house to order...

The Owens's take "Most Improved"

The Maguinator takes “The Marque Of Distinction”

The Barth’s won for going everywhere in the Spit (and for breaking out in Mac Davis songs), the Owens’s for their TR3B, and Harry for, well, just being Harry. Not shown in the pictures above were the Rutledges who won “Press On Regardless” for their cruising in the rain, top down, in the TR3 in August.

Excellent time for all, winners or not, and we look forward to the awards next year.

First Tech Session

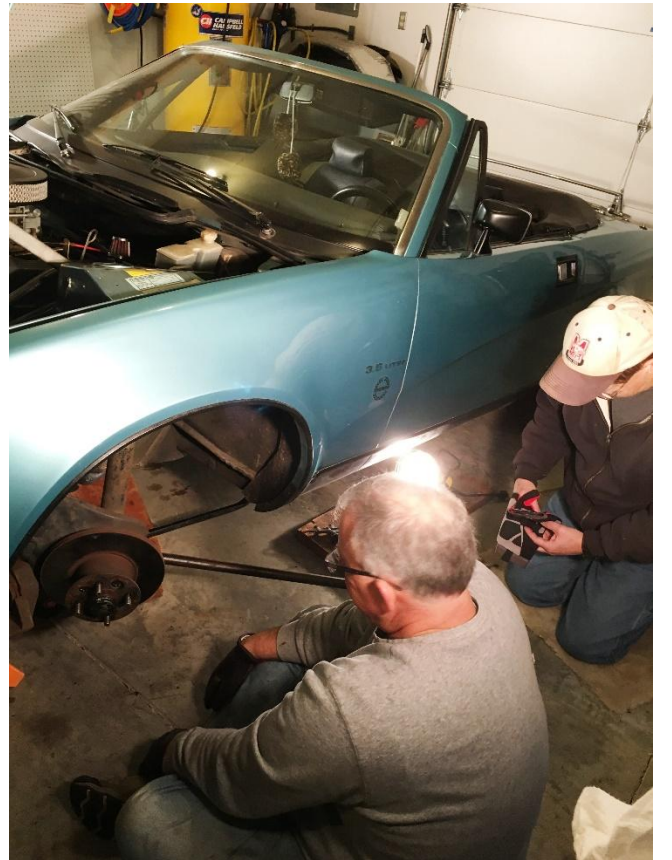

(Note – we had three tech session this month – about usual getting ready for a driving season, and all were good times, unless you were a donut, and then it ended really, really, bad...)

A bit cool and rainy on the 19th of March, but that didn’t stop a lot of MVT’ers from showing up at Ted and Eden’s to work on the TR8’s front suspension. Ted wanted the springs and rubber padding replaced to hopefully give them more ground clearance.

We worked at it for several hours, getting both struts off and apart, but in the end we had to stop since we (okay, Ted) needed to order more parts.

The dark recesses under the TR8 – several trepid MVT’ers explore

Bruce assumes the Lotus position – needed all the Zen we could get to drop that strut...

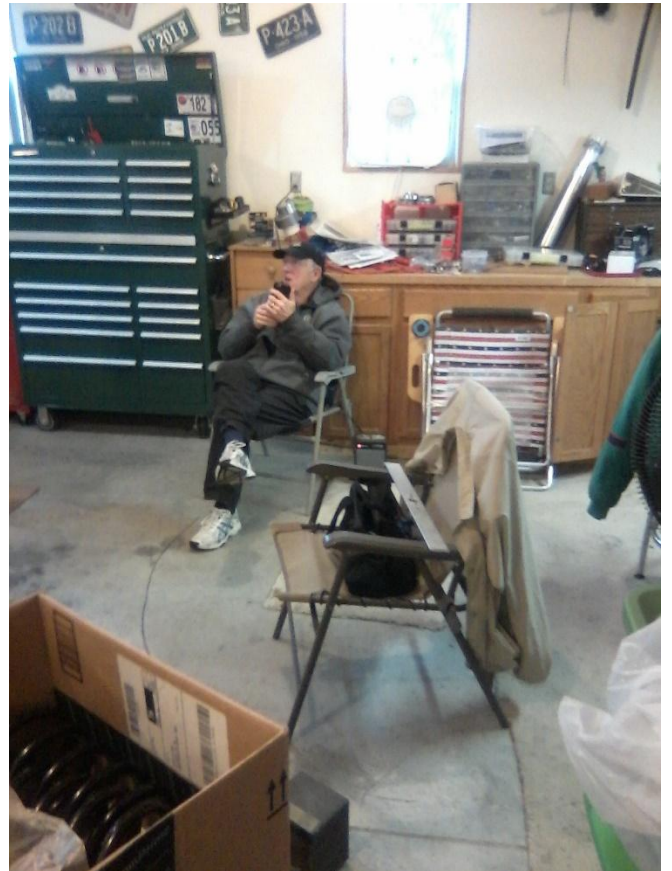

So how many MVT'ers does it take to swap a spring? More than were there evidently...

Ted does a Facebook Pose

The victim after we got done with it.

A supervisor's work is never done!

Ted with Ted getting more parts

The true focus of the MVT tech session!

Here padawan, you must master this to become a Koni Knight!

Second Tech Session

It took Ted a few days for Ted to send Ted's parts to Ted. Once Ted had Ted's parts from Ted he scheduled part two of "Fun with Allison's and Donuts" on March 26th. Everyone showed up that was at the first one except for Bruce who was running family errands...

That Ted – always thinking!

Don't know what all the fuss is about, Ted's car looks normal...

The real reason they all showed up...

Happy to report the car is all back together and at the correct ride height. Ted will no longer scrape

driveways and have to call Ted for parts. Don't know if Ted is happy about Ted's fixes...

Third Tech Session

The last tech session in March was actually in April, the 2nd at Coutant's in Montgomery (sidebar – author likes heading down to work on the east side of Cincinnati since he can stop at the White Castle in South Lebanon...). Anyway, like Ted, John wanted to get the ride height on his car closer to stock, only this time the car was their P1800 Volvo, and a good thing that was since that car is a heck of a lot easier to replace the springs on.

Working on the front springs on the P1800 – much easier than a TR8, or a TR3 for that matter...

The back springs were the easiest to replace I've ever seen, even with the aftermarket sway-bar attached

Whaaaaa??? Of course there were donuts silly!

In less than three hours we had all the springs swapped out, including the abortive effort trying to pop the ball-joint taper pin on one side! When the Event's Chair was leaving John and Chris were going to take it for a spin around the block. Have not heard about any disasters, so I assume it's a success!

6 - MVT Monthly Meeting - The regular eat, drink and talk cars gathering on MVT at Logan's Roadhouse, – 2819 Centre Dr, Beavercreek, OH 45324 ((937) 426-5565). This is next to TGI Friday's and Best Buy. The dining commences at about 6:30, meeting promptly at 7:30.

9 – Cincinnati Sports Car Tour – Hang on – still looking for info – John probably sent it to me and I lost it. Remember – please don't yell too much at volunteer labor. Anyway – here's the last info I got, or remember getting: *Might want to add the 2016 Annual Spring Classic Driving Tour on April 9 to the calendar. This was the infamous goat farm visit which put goat mud on Tim's new car (I think it acted like a beauty pack and led to all his awards later in the year). Was a great tour (since the weather was so good that day). This is something Kurt puts on and divides up the old timers from the newer exotics. Starts in Milford at 9am. I'll send more info as I get it. So we expect more info by meeting time!*

You want more of these, we know you do!

16 – Tech Session – Clutch Replacement for the Yanity's TR7. We will be holding this at the Clough Garage – aka “the land of skinned knuckles and broken dreams”. We will start promptly at 0900, probably earlier, to replace the clutch and fix other things as we go along and find them. Will need a few folks for this since lifting the tranny in and out is a bit of a chore – especially aligning it. Rancho Clough is 1726 Sutts Trail, Xenia, OH.

19 – BCD Meeting - First one of the year – time to get-a-planning for this year's show. Looks like April 19 works for everyone. 7 pm at Poelking Lanes on Kings Ridge Dr. See you then

2016 Banquet Speech by Lorna Ball

Hello everyone. Welcome to our annual Awards Banquet, looking back on 2015. Again Lois, you have done a great job getting this all organized. The food was great. I believe we have been at this location the last 6-7 years or so (?)....always a nice meeting place. Thanks for all your work.

Our 2015 finances were solid with a beginning balance of \$3,450.84 and a year- end balance of \$4,499.40. We made \$241.00 at the Brown Bag Auction. Chris White, Karen Sipos and Alice Clough made a quilt to be auctioned in the Webster Street Market Car Show. It brought in \$60 with \$40 going to our club.

We made a LOT of money this past year at BCD. A check in the amount of \$2,400 was turned over to this club in November. In recent years, the best we have done at BCD was \$1,800. So, last year's figures were phenomenal. Also, at the business end of things, we made a change to the by-laws, voting unanimously at the July meeting, giving the treasurer permission to pay expenses without a vote, when those said expenses are a part of the annual budget.

We welcomed new members to the club. Mr. Cecil Alcorn joined our club and was able to attend a meeting with his son. It was nice to meet him. Two other members came on board: Dan Dwyer and

Greg Kimpton. Hopefully, we will see more of them in 2016.

Our big event of the year was BCD, of course. My records show 358 cars and we had perfect weather with a high of 87 degrees. We sold all but two shirts and we sold out of most foods. Thank God we had Roy Owens policing this event. There was not one single incident! And, then there's that check for \$2,400. It was a great show!

Many other car shows were attended by our members. Indy Motor Day in Zionsville was attended by John Coutant and Tim Moore, where both received awards. Three of our members received First Place awards at the Second Street Market Show. Tim Moore received Best of Show at the Popcorn Festival and First Place at Dayton Concourse. TRA's Participant's Award went to John Coutant.

Another big event this past year was the Jim and Karen Sipos' trip to Michigan. This three-day trip was well attended by 17 members plus Roger Rutledge's brother Richard and his wife, Sandy. They were calling it the "Quilt and Wine Tour". You know I hated to miss THAT. Thanks to Jim and Karen for organizing such a great trip for the club. I still remember that picture in the Marque of poor Roger and Carol in that rain with their top down! Oh, my goodness....

So many events this past year with 23 people attending the Valentine Dinner and 26 at the pool party at our house. There was a Northern wine Tour in May, several tech sessions with lots of donuts, all day runs to breweries and places beyond, a breakfast run and our usual Spring and Fall Tours.

In summary, we had a lot of great times this past year with lots of activities and participation. Our membership is up, our monthly meeting attendance is up AND we're rich! I'm thrilled!

The votes were taken at our March meeting and the 2016 elected officers are: Stan Seto: President, Patti Clifford: Secretary and Harry Mague: Treasurer. They each won by only one vote! What are the odds of THAT? Karen Sipos---thank you so much for serving as Secretary this past two years. Great job!

And now-----the presentation of the club's annual awards:

Keep It On the Road ----	Jeff and Jodi Barth
Press On Regardless ----	Roger and Carol Rutledge
Most Improved	---- Roy Owens

And, you voted for me to receive the Marque of Distinction Award. I am very honored and thank you very much.

On a personal note I would like to thank all those helped me be your president for the past four years. I asked a lot of questions of Stan, Chuck, Harry and Bruce and then I faked my way through it just fine!!!! Ellis and I were talking the other day how blessed we are in so many ways with the people we have around us. We have our own family in the area, we have our church family and we have our car club family. Some of us have been together for many, many years! It is a pleasure!

Enjoy the rest of your evening and have a safe trip home.
